# APARTMENT WINFRED

The Winfred Apartment is our signature space, created in honour of the owner's father. This special apartment holds a personal touch, and the owner plans to include a similar tribute in each of his future projects, making every property a celebration of family and legacy.

Just 300 meters from the stunning Selong Belanak Beach, our Winfred Apartment features 2 bedrooms, making it the perfect spot for 2 adults and 2 kids to enjoy family fun and relaxation.

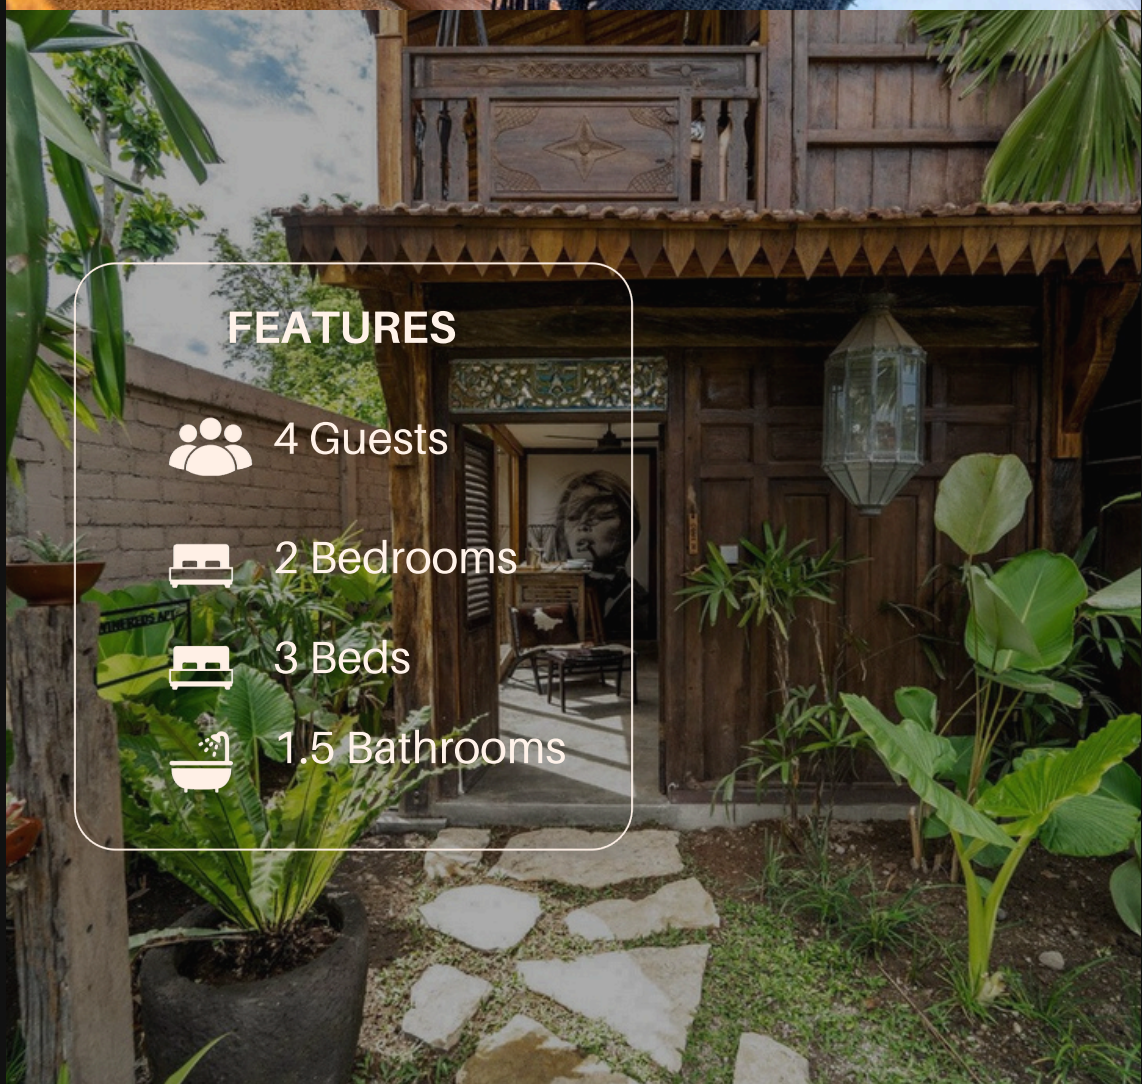

Soak up the laid-back vibes as you connect with fellow travelers at our social property. Whether you're catching waves, lounging on the sand, or exploring the beautiful sights of South Lombok, we're your ideal base for all your beach adventures.

Come hang out with us and soak in the island life!

With a kitchen and essentials included, this house is ideal for holidays, medium or even long term stays. Email us to check your dates and our best medium/long term rates available.

Enjoy daily breakfast vouchers for 2 people at our fave beachside cafe — exclusively when you book directly through our website.
